Respected Sir/Ma'am,

Sir ,my name is Mukesh Singh,from Bharatpur (Raj.) Recently I completed my 12th class by the RBSE Board in 2019 .I got 82.2% marks. Now -a days I am pursuing B,Tech(Computer Science) by the Poornima Group of Institute Engineering Collage, Jaipur. At this time pursuing my even semester (2nd) 1st year.

Now -a -days ,due to global pandemic Covid - 19 ,at this time at our home. But during this time period I completed basic C Programming and HTML courses .I have already participated NSP (Non-syllabus project)   project "**DISTANCEOMETER**" .

As well as considered my family background , so there are six members in my family. My father is a small farmer and my mother is house wife. We are four siblings and second last youngest one of them.

I was getting this scholarship ,this is much more vanificialy related our studies. So ,I really, I would like to thank you for given this golden opportunity.I really always grateful you.

Hope you are keeping well and safe your home !

Yhanks

Sincerely,

MUKESH SINGH.
